Decision

Matter of: Grunley Construction Corporation

File: B-266088

Date: September 22, 1995

DECISION

Grunley Construction Corporation protests any award to the apparent low bidder, Twigg Corporation, by the General Services Administration under solicitation No. GS11P-95-MKC0028. Grunley alleges, on information and belief, that Twigg has never performed a contract of this magnitude and is therefore nonresponsible.

The agency advises that evaluations have not begun and that no award decision has been made. That being so, we view the matter as premature. If, in the future, the agency takes action that may properly form the basis for a bid protest,¹ the protester may file with our Office at that time.

A handwritten signature in cursive script, reading "Ronald Berger", is positioned above the printed name.

Ronald Berger
Associate General Counsel

¹Upon receipt of such a protest, we will evaluate it to determine if it sets forth a valid protest basis. In this regard, see 4 C.F.R. § 21.3(m)(5), regarding challenges to affirmative determinations of responsibility.
